

PRIESTLY RENEWAL IN THE HOLY LAND

I have developed a new sense of reading the Bible, especially the New Testament, frequently remembering our visits and the explanations. Sacred Scripture has now become friendly, easy to read, meditate, and interpret. (Fr. Thomas)

PRESENTATION

This three-week course in the Holy Land offers priests a unique opportunity for a personal encounter with Christ the Priest. No better way to be renewed in your vocation than by contemplating His Heart and reflecting on His mysteries in the very places where they unfolded.
